COM(83) 279 final

Brussels, 20 May 1983

Proposal for a
COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 2057/82 establishing certain control
measures for fishing activities by vessels of the Member States

(submitted to the Council by the Commission)

COM(83) 279 final

COM 276

EXPLANATORY MEMORANDUM

In the absence of a delegation of powers provided for by an appropriate basic regulation, Article 43 of the Treaty of Rome was the legal basis for Council Regulation (EEC) No. 2057/82 of 29 June 1982 establishing certain control measures for fishing activities by vessels of the Member States. Furthermore, the detailed rules for implementing certain Articles of that Regulation had to be based on the procedure provided for in Article 33 of Council Regulation (EEC) No. 3796/81 of 29 December 1981 on the common organization of the market in fishery products. The recent adoption of Council Regulation (EEC) No. 170/83 of 25 January 1983 establishing a Community system for the conservation and management of fishery resources now enables the adoption of control measures to be based on Article 10 of that Regulation. With regard to the detailed rules for implementing the Regulation on control, the procedure provided for in Article 14 of the new basic Regulation can now be used. The relevant provisions should therefore be amended accordingly.
