1. BUDGET PROCEDURE

1.1. Financial framework

Rural development expenditure in 2017 is funded within two multiannual financial frameworks (MFFs): 2007-2013 and 2014-2020. The financial framework 2014-2020 is provided by Council Regulation (EU) No 1311/2013. The allocation for rural development and the allocation for market related expenditure and direct payments after the annual technical adjustment of the MFF are presented in table 1.

f) The transfers into Rural Development (EAFRD) mentioned in notes a) to d) above involve: EUR 4 million transferred annually for the whole period 2014-2020 from the cotton sector (EL) on the basis of Article 66(1) of Regulation (EU) No 1307/2013, EUR 296.3 million set for the voluntary adjustment transferred for the financial year 2014 (UK) on the basis of Article 10b and 10c(2) of Regulation (EC) No 73/2009, EUR 51.6 million for unspent amounts transferred each year for financial years 2014 and 2015 (SE and DE) on the basis of Articles 136 and 136b of Regulation (EC) No 73/2009 and EUR 4 313.6 million for the reduction of payments and the flexibility between pillars on the basis of Articles 7(2) and 14(1) of Regulation (EU) No 1307/2013

1.2. Draft Budget (DB) 2017

The 2017 Draft Budget (DB) was adopted by the Commission and proposed to the Budgetary Authority on 18 July 2016.

The Draft Budget included EUR 1 280 million in payment appropriations for the European Agricultural Fund for Rural Development (EAFRD) for the 2007-2013 programming period. No commitment appropriations were requested for year 2017 as the 2007-2013 programming period ended at the end of 2013. For the programming period 2014-2020, the DB 2017 included EUR 14 360 million in commitment appropriations and EUR 9 926 million in payment appropriations.

The Council adopted its position on the 2017 Draft Budget on 12 September 2016 and the European Parliament adopted its position on 26 October 2016. The Conciliation Committee had to be convened and the Committee agreed on a joint text within the 21-day time limit. The Council approved the joint text on 29 November 2016 and the European Parliament approved it on 1 December 2016.

1.3. The adoption of the 2017 Budget

The 2017 Budget adopted on 1 December 2016 was, as regards the EAFRD, equal to the initial Commission's proposal.

2. MANAGEMENT OF APPROPRIATIONS

2.1. Management of commitment appropriations

2.1.1. EAFRD rural development programmes

As regards commitment appropriations, the 2017 voted budget amounted to EUR 14 337 million, all related to the 2014-2020 programmes.

The Budget 2017 did not include any commitment appropriations for EAFRD 2007-2013 programmes.

2.1.2. Technical assistance

Article 51(1) of Regulation (EU) No 1305/2013 provides that the EAFRD may use up to 0.25% of its annual allocation to finance technical assistance actions at the initiative of the Commission. In the 2017 budget, the initial amount available for this purpose was EUR 4.9 million for non-operational technical assistance and EUR 18.5 million for operational technical assistance. The latter was reduced by EUR 1.5 million by the Amending Budget No 6.

2.2. Management of payment appropriations

2.2.1. EAFRD rural development programmes

For the rural development programmes 2014-2020, the payment appropriations of the voted budget 2017 amounted to EUR 9 902 million. In addition, the available assigned revenue, collected during the year, amounted to EUR 14.0 million. The payment appropriations were reinforced with the transfer of EUR 3.0 million from the line of the technical assistance, with the end-of-the year transfer in the amount of EUR 567.7 million and with the transfer of EUR 110.0 million of assigned revenue from EAFRD 2007-2013 in order to cover in full the Member States' declarations of expenditure of the third quarter of 2017. Taking into account all transfers, the total amount of payment appropriations available in 2017 amounted to EUR 11 069.9 million. In total, in 2017, EUR 11 051.8 million of payment appropriations were used and EUR 18.1 million of assigned revenue were automatically carried over to 2018.

For the rural development programmes 2007-2013, payment appropriations of the voted budget 2017 amounted to EUR 1 280 million. In addition, the available assigned revenue, either carried over from 2016 or collected during the year, amounted to EUR 497.2 million. The Amending Budget No 6 reduced the payment appropriations by EUR 780 million. Moreover, they were also reduced by two transfers to the budget line for the EAFRD 2014-2020 programmes, in total EUR 583.2 million. At the end of the year, the total amount of payment appropriations available in 2017 was EUR 413.8 million. Of this amount, EUR 43.1 million were used and EUR 370.7 million of assigned revenue were automatically carried over to 2018.

3.2. Implementation of payment appropriations

3.2.1. EAFRD rural development programmes

For the programming period 2014-2020, all payment appropriations available in the Budget 2017 (EUR 9 902.0 million) were used. In addition, in the end of the year, reinforcements were needed to allow reimbursing in full expenditure declared by the Member States. The following transfers increased the payment appropriations available for EAFRD 2014-2020: EUR 473.2 million from EAFRD 2007-2013 Budget 2017, EUR 110.0 million of the assigned revenue from EAFRD 2007-2013, EUR 3.0 million from the operational technical assistance EAFRD 2014-2020, EUR 567.7 million from the end-of-the year transfer. In total, by the end of 2017, EUR 11 051.8 million, out of EUR 11 069.9 million payment appropriations available after the transfers was used.

For the programming period 2007-2013, EUR 43.1 million were implemented out of the initial EUR 1 280 million of payment appropriations available in the budget and of EUR 497.2 million available as assigned revenue. The Amending Budget No 6 reduced the payment appropriations by EUR 780.0 million. Moreover, EUR 583.2 million (including EUR 110.0 million of assigned revenue) was transferred to the budget line for the EAFRD 2014-2020 programmes.

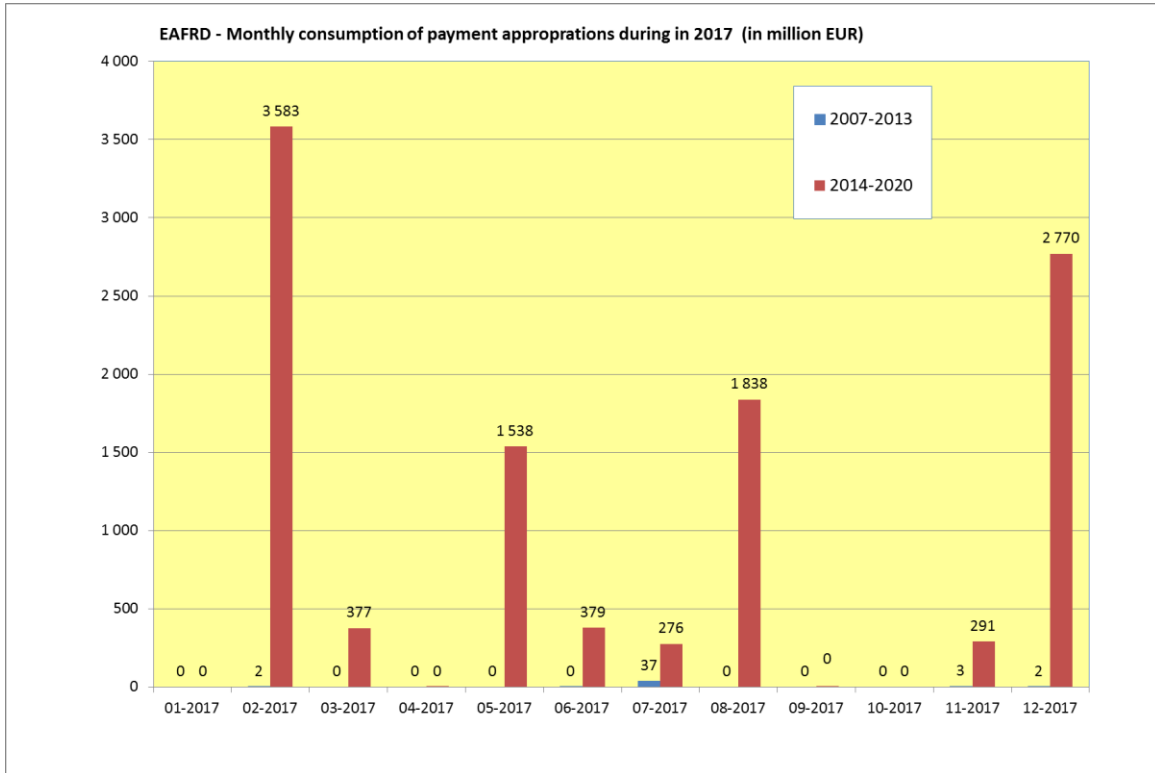

Table 8 shows the breakdown of payments made in 2017 by declaration period:

Table 10 compares, for each Member State, the EAFRD 2014-2020 payments made in 2017 with the payments in 2016. The payments increased significantly (by 42%) compared to year 2016 (EUR 11.1 billion vs. EUR 7.8 billion). The 2016 figures include the last tranche of pre-financing paid for the 2014-2020 programmes.

3.2.2. Technical assistance

For the programming period 2014-2020, the amount for payment appropriations for the operational technical assistance was EUR 19.0 million. A part of these appropriations (EUR 3.0 million) was transferred to cover payment needs in relation to rural development programmes under EAFRD 2014-2020.

Table 11 hereafter presents the payments grouped by main activities. The most important part relates to the European Network for Rural Development.

3.3. Analysis of expenditure declared by measure

Table 12 shows the payment claims declared by Member States and by measure for rural development in 2017 (4th quarter of 2016 to 3rd quarter of 2017), the cumulative declared expenditure from the beginning of the programming period and also the financial plan of EAFRD 2014-2020 programmes.

The expenditure for EAFRD 2014-2020 in 2017 continued to concentrate mainly in Measure 13 (Payments to areas facing natural or other specific constraints) and in Measure 10 (Agri-environment-climate).

*Member States declare their expenditure quarterly. However, for year n, Q4 declarations are submitted in January of year n+1. Consequently, the corresponding reimbursements by the Commission to the Member States in year n go from Q4 of year n-1 until Q3 of year n.

3.4. Implementation of EAFRD programmes

3.4.1. Programming period 2007-2013

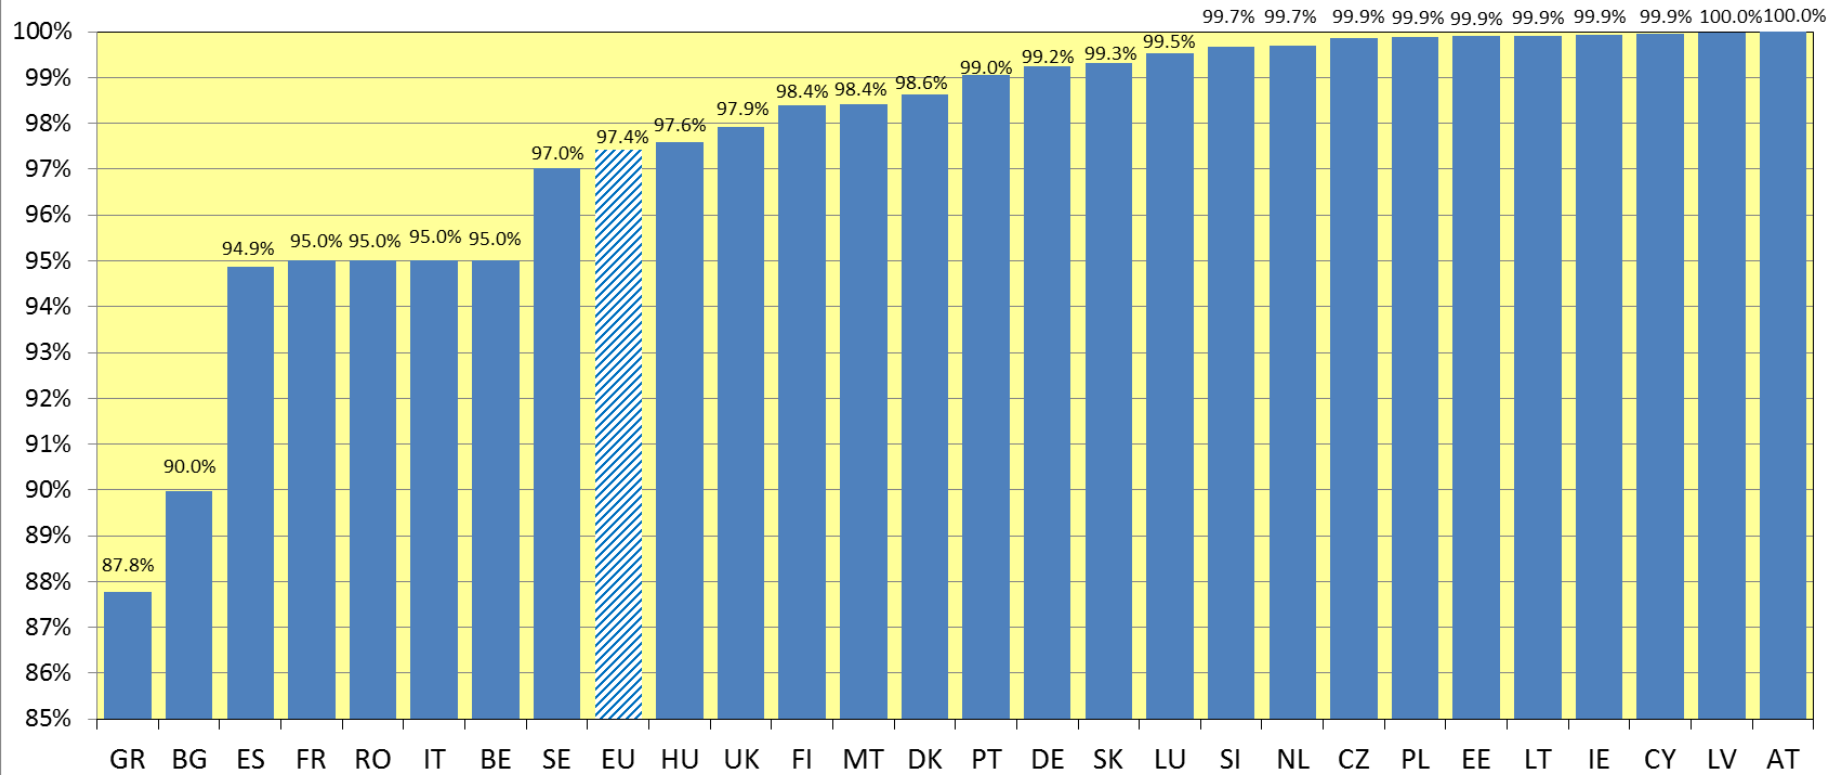

Graph 2 presents the absorption rate of rural development programmes 2007-2013 per Member State: payments from the beginning of the programming period till 31 December 2017, including closure payments for the programmes that have already been closed by this date, compared to the total 2007-2013 allocation.

Until the end of 2017 the application of the N+2 rule has resulted in decommitments amounting in total to EUR 1 867 million.

3.4.2. Programming period 2014-2020

Graph 3 presents the absorption rate of rural development programmes 2014-2020 per Member State: payments from the beginning of the programming period including payments made for the 4th quarter of 2017 that is reimbursed in financial year 2018 compared to the total 2014-2020 allocation.
